More Capacity, Perfect Pizza Every Time.

PICCOLO Rotante 16"

Some moments call for more: more mouths to feed, more dough to stretch, more reasons to gather. That's why we created the **PICCOLO Rotante 16"** — a bigger version of our compact original, with the same streamlined power and signature rotating stone.

It keeps the footprint compact — but opens the door to 16" pizzas and even bigger possibilities. Perfect for families, entertainers, and anyone who wants more room to create without losing the ease of use.

Same crisp. Same speed. Same design DNA.
Designed to impress. Built to perform.

**Rotating
Pizza stone**

**C-shaped
main burner**

**Handles
16" pizzas**

**15-minute
heat-up**

**Pizza in less
than 90 sec.**

PICCOLO Rotante 16" pizza oven

All-Season Performance

Durable, and insulated – made to deliver perfect results, from summer nights to winter gatherings.

Rotating Pizza Stone

Even heat across the entire surface – no need to manually turn your pizza. For the perfect crispy base, every time.

C-Shaped Main Burner

The powerful C-shaped burner ensures stable, even heat all around the pizza for consistent results.

15-minute heat-up – Ready for pizza anytime

Fast to preheat, easy to adapt – from blazing bakes to low-temp classics like Roman or New York.

Bakes pizza in 60–90 seconds

Fast baking without compromising on texture or flavour. Crispy edges. Soft centre.

Double-Layered Insulation

Improved heat retention and energy efficiency – perfect for consistent performance throughout the year.

Award-Winning Design

Part of the acclaimed PICCOLO range – recipient of the prestigious iF Design Award.

Knob and Push Button Controls with Electric ignition

Precise gas control with a turn, electric ignition with a push – plus a dedicated button to rotate the stone.

Powerful Performance in Compact Design

Scales up the original (PICCOLO 13") – adding capacity without compromising the clean lines, signature rotation or fast results that define our most space-efficient design.

PICCOLO Rotante 16"
